

The Foundation for Leon County School's Soiree generates much needed funds to maintain excellent and equitable educational opportunities for our public schools that are not funded by tax dollars. Soiree contributions directly support the Foundation's Teacher Mini-Grant Program. Below are a few Mini-Grant successes that would not have been possible without the generosity of private and business contributions:

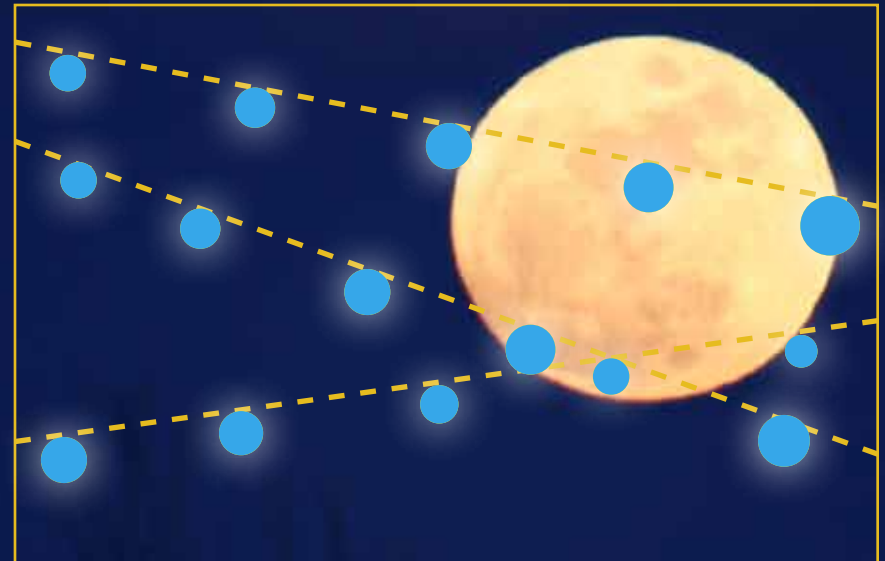

Pineview Elementary's "Tell Me Your Story" helped 83% of the 200 students involved achieve a 4 or better on Florida Writes test.

Cobb Middle School's "Finding Treasure through Reading" project created 90% reading gains among 300 students.

Killlearn Lakes Elementary's "Science Takes Center Stage" project helped 200 5th graders score a 70% or better on science tests.

Your donation is tax deductible as allowed by law.

The Foundation is registered by the IRS as a non-profit 501(c)(3) organization: #59-2852594
